

REMARKS

The Examiner states that the previously submitted Petition to Accept Color Photographs has been denied because it did not comply with 37 CFR 1.84(a)(2)(iv). Applicants have now amended the Brief Description of the Figures to include appropriate language relating to color drawings. Attached to this Amendment is a newly submitted Petition to Accept Photographs as Drawings. It is respectfully submitted that Applicants have now complied with all requirements and that the application should proceed to issuance upon payment of the issue fee.

No fees or extensions of time are believed to be due in connection with this amendment; however, consider this a request for any extension inadvertently omitted, and charge any additional fees to Deposit Account No. 26-0084.

Reconsideration and allowance is respectfully requested.

Respectfully submitted,
